Make a Fish

- 1** Make 3 paper sticks by rolling a strip of paper around a pencil. Glue at the top corner to fix, then remove the pencil

- 2** Tape 2 sticks together to make a cross. Gather the ends together and tape. Open out the shape and fix in place with 3rd stick

- 3** Colour your fish with crayons

- 4** Scrunch up 2 small balls of paper for eyes. Stick them onto the head with tape
