

LES-TAH **TO THE** FRONT

This is a visual story
with information about:

- 1) The Show
- 2) The Set
- 3) The Performers & Costumes

We hope you enjoy the show!

*An interactive live band experience,
with the opportunity for children to celebrate their uniqueness,
their vibrancy and the magic of Leicester!*

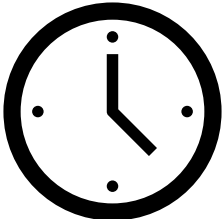

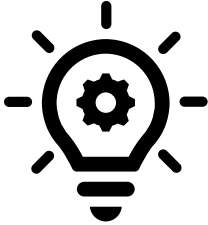

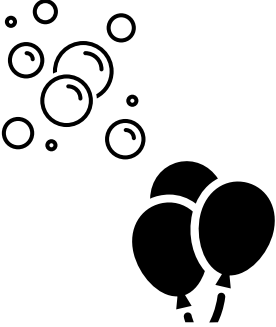

What to Expect During the Performance

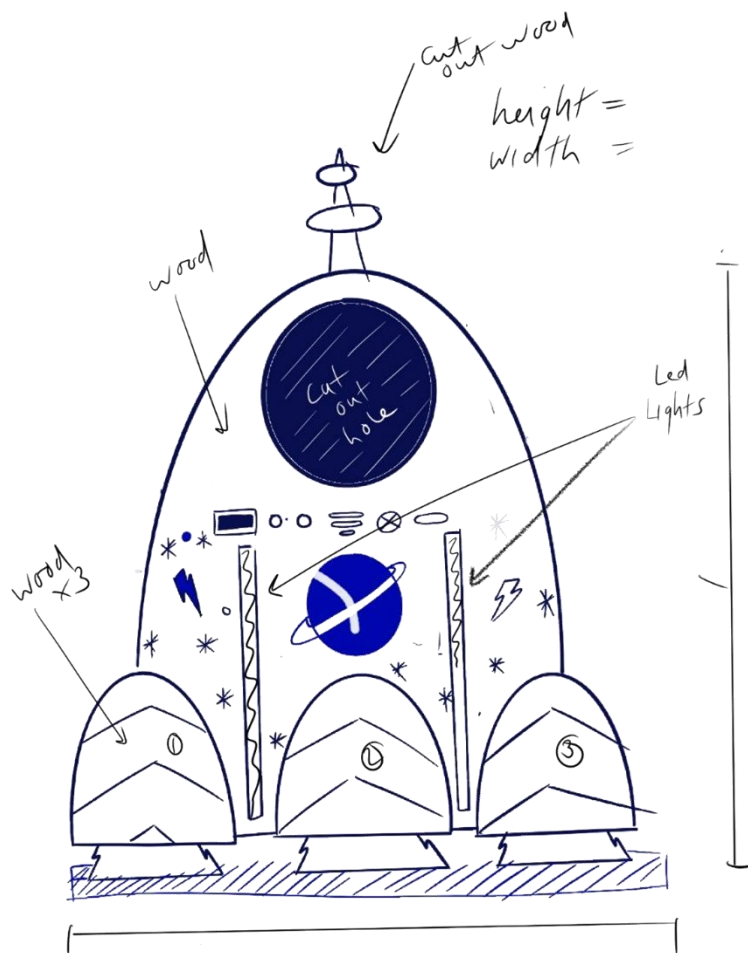

This is a **relaxed space**.

It's okay to **tic, stim, leave and come back, make noises, laugh or cry!**

We have a few **ear defenders** that you can borrow.
If you have your own, feel free to bring them 😊

	<p>The whole experience lasts for 45 minutes.</p> <p>There is no interval, but you can leave at any moment and come back.</p>
	<p>There will be gentle pulses or shifting lights, in different colours like yellow, blue, green, red, purple or pink.</p>
	<p>As you enter, there may be music playing from the speakers.</p> <p>During the performance there will be live and recorded music, as well as talking, singing and joyful shouting.</p> <p>There will be sounds coming from guitars, drum pads and other musical instruments, as well as sounds from speakers.</p>
	<p>There will also be audience interaction.</p> <p>Everyone is invited to interact, sing, dance and play. But you can participate, or not participate, in any way you choose. There is no pressure.</p>
	<p>There will also be lots of shapes, colours, sounds and textures.</p> <p>This includes multi-sensory elements, which means there will be things to look at, listen to, and touch during the show.</p>

The Set: What does it look like?

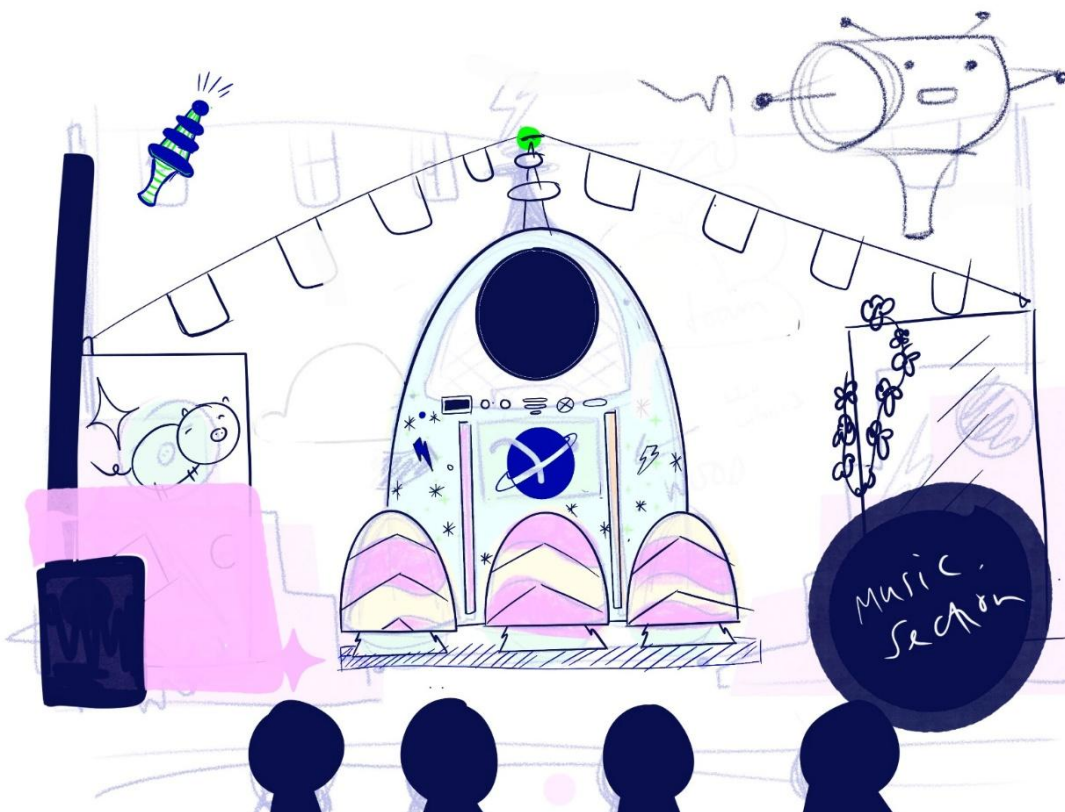

The set was designed by **Studio Spranks**. Here are some of Jade's brilliant sketches.

There's a **big spaceship** in the middle with a hole cut out of the window.

There are **musical instruments and speakers** in front of the spaceship, to one side of the stage.

The set is made of **wood, foam, and LED lights**, with lots of **space-related images**.

It's painted in colours like **pink, purple, and blue**.

As we discover more about Leicester, **images** will be stuck to the spaceship.

These may include **a duck, a heart, a Ferris wheel**, some **flags** and **flower garlands**.

The '**Wonder Mic**' has a smiley face on it and looks a bit like a **robot**.

The Performers & Costumes

Band title design by
Studio Spranks

There are **four performers** in the show, who are all part of the **Boogie Woogie Space Junk Band!**

There are **three alien band members**, called **Bri, Gaz, and Roxanne**, and their **Space Roadie**, called **Dhugal** (pronounced 'Doo-gul').

The performers **talk, sing, dance, play music,** and **interact with the audience.**

Costumes

The performers wear **glittery costumes** which have **sequins, tinsel, silk, tulle/netting and pom poms** all over.

The costumes are in **bright pastel colours** with **pink, purple and green**. Dhugal wears a similar costume, but in **black**.

The gorgeous costumes are designed by **Ray Prendergast**. Here are some design sketches as well as photos of the performers.
