

## **Les-tah to the Front: Access**

At all of our performances, children should feel safe to react, move around and come and go as they need to. You may wish to bring ear defenders for children who experience sound sensitivity. Ear defenders will also be available for both adults and children at the show. There are no adjustments to sound and lighting for these performances and this performance contains amplified sound and moving lights.

- It's okay to tic, stim, leave and come back, make noises, laugh or cry!
- There is no interval.
- There will be live and recorded music, as well as talking, singing and joyful shouting. There will sounds coming from guitars, drum pads and other musical instruments, as well as sounds from speakers.
- There will also be audience interaction. Everyone is invited to interact, sing, dance and play. But you can participate, or not participate, in any way you choose. There is no pressure.
- There will also be multi-sensory elements (things to look at, listen to, and touch) in the show.

## **Venue Accessibility:**

### **- Beaumont Leys Library**

The library is all on one level and has a wide entrance, an induction loop and an accessible toilet.
