

Small Wonders

At home.

Den building

An easy way to make a den is to drape a blanket over a table.

What can you use to build a den

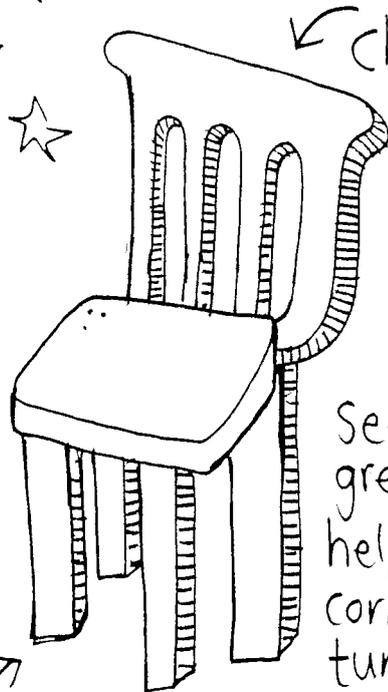

Bed Sheets

Wonderful to make roofs and walls.

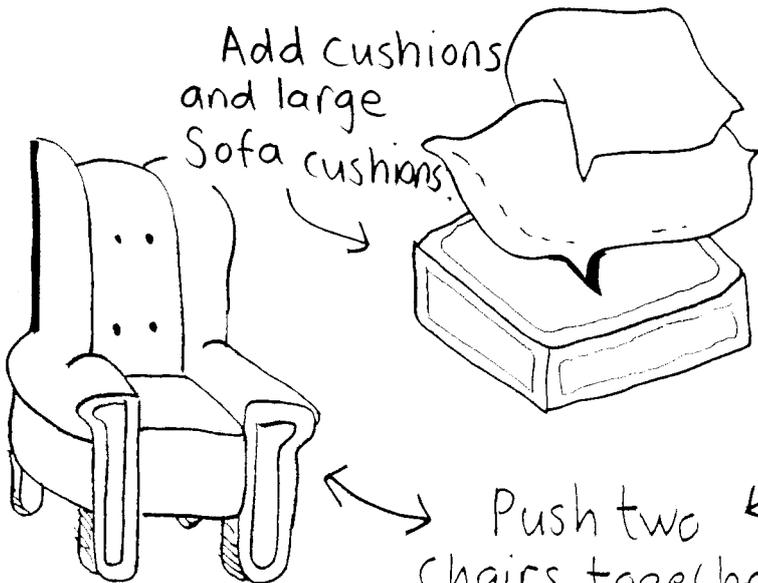

chairs

Seats are great to help build corners and tunnel for your den.

Add cushions and large sofa cushions.

Push two chairs together and drape over a blanket.

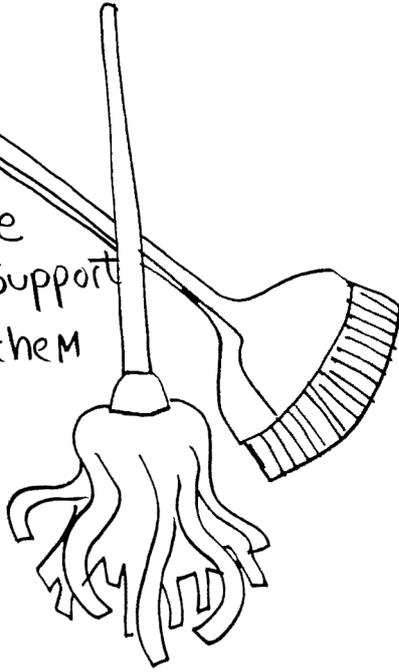

Small Wonders

At home.

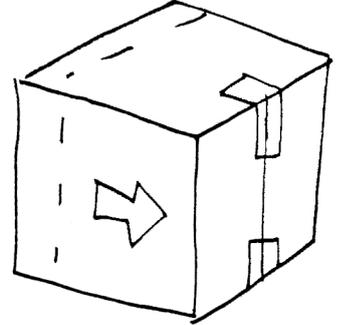

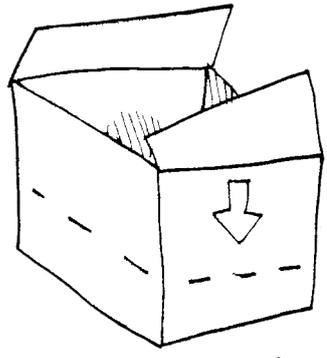

Den building

What can you use to build a den.

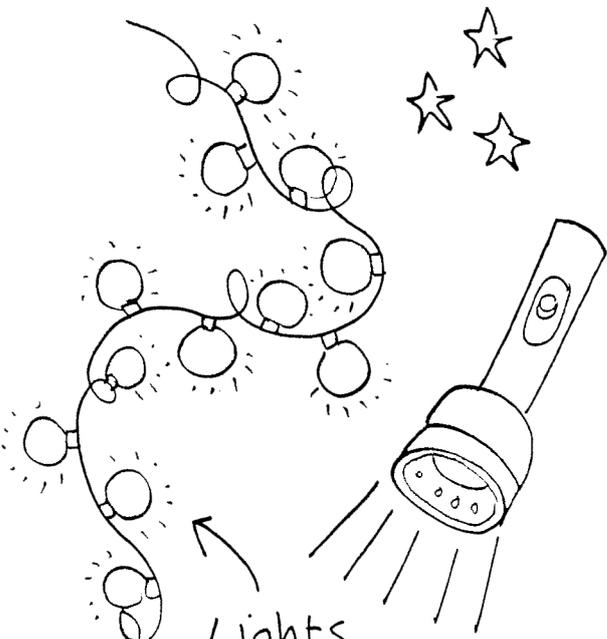

Brooms are great roof support. You can lay them across two chairs and cover with a bed sheet.

Boxes
Big boxes work best. Create walls or little caves.

Lights
Hang fairy lights and explore your den with a torch.

String and rope can help tie everything together.

Pegs
clamps, clips and pegs all can be used to secure your den.
